CHECKOUT

Language help

A post code (zip code in the US) is a long number at the end of an address. In the UK, it also contains letters (e.g. BA1 1LZ). A US zip code looks like this: 10509.

C Expressions

- 1 Lisa likes to **shop online** because it's quick and easy.
- 2 Most people pay for their online shopping with **credit cards**.
- 3 Reading **online reviews** can help you choose what to buy.
- 4 If you are not at home to receive the **delivery**, we will take it to the post office.
